OPTIMAE CELEBRATES ONE YEAR ANNIVERSARY IN CHARITON

JULY 15, 2016 (DES MOINES, IA) – Optimae LifeServices will celebrate its one-year anniversary of offering services in Chariton Thursday with an open house for the community.

The event is from 2 p.m. to 4 p.m. at Optimae’s Chariton office, 1711 Osceola Avenue, Suite 104. Tours will be available for those interested and refreshments will be offered.

“We have worked diligently in the past year to make the transition in Chariton as smooth for our customers as possible, while working together with city and county leaders to successfully help those in need,” said Joanna Smith, Optimae’s Southern Prairie regional director. “We are just thankful for all of the support we have received from the Chariton community.”

Optimae currently serves approximately 50 individuals with mental illness and disabilities in the Chariton area. It provides community-based services, including home supports that teach customers basic living skills and help them live independently in the community.

Lucas County is one of 36 Iowa counties served by Optimae. The company provides community-based, behavioral health, home health and residential services to individuals with mental illness and disabilities throughout Iowa.

About Optimae LifeServices

Optimae LifeServices, Inc. provides healthcare and human services for individuals with disabilities and mental illness in 36 Southeastern and Central Iowa counties. For nearly three decades, we have equipped our customers with supports and services that encourage choice, empowerment and community integration. Our programs include community-based, behavioral health, home health and residential care services. We advocate for the rights and needs of nearly 3,900 Iowans each year, providing the quality of care we would want for our own family.
