OPTIMAE CELEBRATES MORE THAN TWO DECADES OF SERVICE TO HENRY COUNTY WITH RIBBON-CUTTING AT NEW OFFICE LOCATION

May 23, 2018 (DES MOINES, IA) – Optimae LifeServices, Inc. announced today its new location in Henry County, expanding services in an area it has served for more than two decades.

Optimae celebrated the announcement Monday with an open house and ribbon-cutting at its new office at 805 East Winfield Avenue in Mount Pleasant. The company now serves 39 counties in Eastern, Southern and Central Iowa, with more than 5,300 individuals with mental illness and disabilities served each year.

“We are pleased to have come alongside our customers in Henry County since 1997 and look forward to future success in our new location in Mount Pleasant,” said Angie Torres, Optimae’s Great River regional director. “We are grateful for the support the Area Chamber showed at our ribbon cutting and are excited for our continued partnerships with the community.”

Optimae’s Mount Pleasant office offers services in behavioral health, community services, community integration programs, home health and intensive psychiatric rehabilitation. Community-based services provide customers with basic living skills and residential support services, while behavioral health services offer individual, family and group therapy.

About Optimae LifeServices

Optimae LifeServices, Inc. provides health care and human services for individuals with disabilities and mental illness from 39 Eastern, Southern and Central Iowa counties. For more than three decades, we

have equipped our customers with supports and services that encourage choice, empowerment and community integration. Our programs include community-based, behavioral health, home health and residential care services. We advocate for the rights and needs of more than 5,300 lowans each year, providing the quality of care we would want for our own family.
